

## **Interested in the California High-Speed Train System?**

Attend a public information meeting to learn about the next steps in the environmental review of the San Jose to Merced section of the proposed California High-Speed Train system. The California High-Speed Rail environmental project team will display to the public the results of the Preliminary Alternatives Analysis Report including the alignment alternatives, stations, and design options recommended to be studied in the Draft Environmental Impact Report/ Statement (EIR/S). The same information will be provided at each meeting.

For more information, please call 1-800-881-5799 or visit [www.cahighspeedrail.ca.gov](http://www.cahighspeedrail.ca.gov).

*Please note: In case it is on your calendar, please note we have rescheduled the Merced and San Jose meetings to July 15 and July 21, respectively. Thank you for your understanding and we apologize for any inconvenience this may cause.*
